## **The Event Village**

The heart of the Get Moving Festival! Our vision has been to create an event that makes you feel good about being there and moving and to have space to share that with your family, friends, and fellow runners/walkers. As such, we want the start/finish line to be a place you want to stay, where you can bask in the experience and satisfaction of being one step closer to your Get Moving goals. Some of the highlights you can look forward to at the Event Village include:

- A good selection of music to keep your spirits up
- The team from F45 will be there to warm you up before your event.
- Peak Pilates and Physiotherapy will be offering a post-event massage
- The all important coffee cart thanks to Barry
- Sausage sizzle and cake stand – with all proceeds will go to Youth In Transition – our 2020 event charity partner. They will also be taking buckets around so you can contribute to this great cause.
- A range of other sponsors and exhibitors
- Brunch after the event thanks to Yogi's Bar from 10am

## **Waste Management**

The team at MaD Running are working towards a zero waste event policy at our events. This does not mean we will produce no waste, but we are trying to reduce general waste, as well as remove all plastics that are unable to be recycled. To do this we need your help at the events.

- Please place rubbish in the correct bins located around the event village or at drink stations.
  - Yellow Bins for recycled items (cups, paper)
  - Blue bins for general waste
- Use only what you need i.e. try to keep hold of your cup if you are going to drink more water
